

School Spirit Fundraiser Results

Hooper's is proud to announce that the first annual school spirit fundraiser was a total success. We would like to thank all the parents, teachers, administrators, pta members, students, and the entire community for pulling together to help raise some money to aid in the education of our future. We look forward to next year's event and extend our congrats to Ocean City Elementary for having the most participation and becoming the first recipient of the trophy and \$1000 prize. The stakes will rise for next year! Thank you again to everyone involved!
